## Charter Aircraft of the Month – The Embraer Praetor

A disruptive new performer, the Embraer Praetor 600 is one of the fastest, most advanced super midsize business jets in its segment with a class leading endurance of up to 8hrs.

From class-leading cabin comfort, including best-in-class cabin altitude and standard HEPA filters, to more destinations with best-in-class range and enviable performance in challenging airports, the Praetor 600 truly expands your journey and delivers the utmost value.

In this commanding intercontinental aircraft, fly to far-away destinations, from London to New York, São Paulo to Miami, or Dubai to London, non-stop. In fact, this is the only super-midsize jet that consistently delivers the London to New York flight missions.

The perfect union of performance, comfort and technology make the Praetor 600 the most disruptive business jet in existence.

## ... 242MSU

242MSU (Mobile Security Unit) offer a premier level of protection that is unmatched across the globe. World leaders in providing a superior level of security designed to directly combat the rise of in-transit crime that is sweeping across London and Europe. Utilising high powered and agile motorcycles operated by former special forces and elite policing unit personnel, the MSUs can spot, deter and prevent threats or problems with maximum discretion.

MSUs act as more than a simple proximity deterrent but as highly agile and mobile assets in busy metropolis areas – providing a security bubble by utilising a constant 360-degree field of vision enhanced by our motorcycles to give you and your loved ones peace of mind.

242 are able to provide MSUs and a full close protection package, or work with your current security teams to enhance your protection.
