James Garfield-Davies – Commercial Director

James Garfield-Davies is a lifelong aviation professional.

James also has a background in Banking and has served as an Army Officer in the Territorial Army. His aviation career began with him flying commercially operated Airbus A320 aircraft, before transferring to the Business/Corporate and Private side of aviation, initially flying a privately operated A319 Airbus Corporate Jet.

Hugely experienced in working with Middle Eastern clients, James has also flown the Falcon 900EX Classic, the Challenger 604 and 605 and the ultra long range Global Express Vision aircraft. James has an eye for detail to Aviation Operations as well as the complex financial transactions within Consultancy Projects, aircraft sales and purchases.

Roland Dangerfield – Operations Director

Roland Dangerfield is a former British Army Officer turned Commercial Aviation Pilot.

He has flown to over 80 countries and some 200 plus destinations carrying Royal Families, Politicians, Diplomats, personalities of the Sports, Film, Television and Music industries. He has an extensive and in-depth operational knowledge of safe and discreet private aviation charter and management operations. Roland has flown Bombardier's Challenger 604 and 605, and also Bombardier's Global Express 5000 and 6000 Vision Aircraft.

His military background brings a high level of organisation, discipline, leadership, and strategic thinking to the business. His private jet experience has helped develop Sentinel into one of the leading VIP Private Jet Charter companies with an enviable reputation in the private jet charter industry for safety, consistently delivering excellent customer service and meeting clients needs.

Corporate Business Travel & Visa Services

International travel can be tricky at the best of times, particularly if you are not familiar with the region you are travelling to. Our team of experts provides bespoke travel and concierge services that are tailored to your needs. We take care of everything from visas and accommodation to ground transportation and private holiday destinations.

VIP Concierge Trip Support

It can be hard to find a good concierge service that you can trust. Most concierge services are not tailored to VIPs or UHNWI's. VIP Concierge offers a range of bespoke luxury concierge services that are tailored specifically for VIP and UHNWI's. We have years of experience in the industry and our team is highly qualified and confidential.

MySentinel

Medical Travel Companions

Our Medical Travel Companions partner offers a qualified Nurse, Paramedic or Doctor depending on your requirement. The requirement may be as simple as companion travel from home to airport, or as complex as a ten day holiday on a yacht. All companions are clinically qualified; Nurses, Paramedics or military trained Paramedics/Doctors for VIPs.

Remote 24/7 Telemedicine Advice

You're on vacation in a remote corner of the world and you get sick. Not only is it difficult to find good medical advice, but also locating medication in a foreign country can be tricky. We work with a UK based medical service providing 24/7 access to UK consultant level clinicians who will guide you through your medical emergency, no matter where in the world you are.

MySentinel

Intelligence Led 24/7 Travel Security

Travelling to dangerous or unstable parts of the world can be a daunting prospect. Our travel risk management and security solutions are designed to give you peace of mind when doing business in challenging environments. We work with the very best travel security providers who operate in some of the most fragile areas of the world.

Time critical Customs & Excise Clearance

Customs Clearance is a mandatory process that all goods entering or leaving Great Britain have to go through. Using the latest in Customs Clearance technology and fully audited by HMRC, our carefully chosen partner will clear your goods accurately, compliantly and efficiently.

24/7 London Motorcycle Couriers

When you need urgent delivery of important documents, parcels and packages you need a reliable courier company to guarantee the fastest delivery time. Our carefully chosen partner operates a network fleet of dedicated vehicles and drivers – from express motorcycles and city motorbikes to dedicated vans and larger Luton Box vans.

Onboard Couriers

Our time critical solutions provider ensure your shipments arrive at the right time at the right place. Their hand carry services provide the fastest and safest time critical logistics solutions available across the globe. From providing your business with a quotation and flight routing within 30 minutes, to getting your item safely on board accompanied by one of their dedicated Onboard Couriers, can be a matter of hours.
