Charter Aircraft of the Month – The Dassault Falcon 900LX

The Dassault Falcon 900LX is a long range jet from our Heavy Jets Range. The 900LX is typically outfitted with three cabin zones and has an endurance of up to 9.5hrs. The Falcon 900LX sets the standard in its class for reliability, versatility and fuel economy. Operators appreciate its ideal balance between performance and aircraft size.

With more than 500 aircraft in operation, the 900LX features a refreshed, sleek, fashion-forward interior that is equal parts beauty, comfort and functionality. At Mach .80, it can take you from Geneva to Chicago, Mumbai to London City or Hong Kong to Sydney, nonstop, consuming far less fuel than its competitors.

The Falcon 900LX features a refined cabin that answers the needs of any business traveler. Every detail has been considered to enhance comfort, convenience and connectivity. Advanced acoustic technology makes this the quietest cabin in the 900 series. With three separate lounge areas, passengers can work, relax over a fine meal, then retire to sleep.

/ Maximum Passengers: 12-14

/ Top Speed: Mach 0.84

/ Maximum Range: 4,750 Nm

Top 10 Reasons for Your Family to Travel by Private Jet

We often think of private jet travel as the domain of business men and women, jetting across continents to seal commercial deals! But let us not forget the absolute joy of 'flying private' with the family – from schedule flexibility and in-flight entertainment to exclusive privacy and luxury for all ages! And conversely, let us also not forget the stressful experience of flying commercially with your family – from never ending security lines and chaotic airports to delayed (or cancelled) flights and lengthy passport control.

From the feedback we often receive when our client's families travel privately, we've put together a list of the Top 10 reasons to fly private with your family.
