Charter Aircraft of the Month – The Pilatus PC-12 NGX

The 'world's greatest' and best-selling single-engine turboprop recently received an upgrade, further strengthening its well earned accolade.

With an aerodynamically optimised airframe, the NGX takes the PC12 legacy up a notch in terms of refinement, efficiency and technological advancement.

With a cabin designed by BMW Designworks and inspired by the PC-24, the NGX is indeed comfortable, with executive seats featuring full recline, taller seat backs, and even more seated headroom. Fine European leather, custom hand-stitching, and a wealth of designs will appeal to many; and the NGX can be outfitted with the latest in Wi-Fi, entertainment, and connectivity technologies.
